

PART 319 – Reassignments and Changes in Duty Location

August 2024

319.0 Purpose

- A. This national instruction
1. provides policy for reassignments and changes in duty location for NRCS employees,
 2. explains the difference between a change in duty location and a reassignment and the circumstances under which each of these personnel actions occur, and
 3. defines a reassignment and what qualifies as a management-directed reassignment for the convenience of the agency as opposed to an employee-initiated request for reassignment, also called a voluntary reassignment.

319.1 Policy

The policy on this topic applicable to all agencies within the FPAC mission area can be found in [FPAC-P 4000-002, “Farm Production and Conservation \(FPAC\) Mission Area Reassignments and Changes in Duty Location.”](#)
